Maddie's Shadow, Free Forever

A Tribute Song

Intro - piano, strings

Verse 1

From the start, a protector, strong and true
Our loyal friend, we always knew
A perfect shadow, intelligent and keen
The best mamma Carra had ever seen.
With soulful eyes, a loving gaze
You brightened all our walking days
So gentle, yet a spirit bold
A story only we could hold.

Chorus

Oh, Maddie, our sweet girl, our dear
Six years and more, you're always near
A faithful heart, a spirit free
You'll forever live inside of us.

Verse 2

We recall those days, so full and bright
Double loving with Carra, pure delight
Our great walks, where we would roam
You always made our house a home.
At night, your voice, a gentle sound
When darkness fell, and peace was found
A special bond, beyond compare
A love like ours, beyond all care.

Chorus

Oh, Maddie, our sweet girl, our dear
Six years and more, you're always near

Maddie's Shadow, Free Forever (continued)

A faithful heart, a spirit free
You'll forever live inside of us.

Bridge

We love you Maddie, so so much our baby
Great and faithful servant, maybe
Be free now, watch for us from high
Beneath the vast and endless sky.

Instrumental - strings, piano

Final Chorus

Oh, Maddie, our sweet girl, our dear
Six years and more, you're always near
A faithful heart, a spirit free
You'll forever live inside of us.

Outro

Still watching over us, we know it's true
Totally free from any pain, our view
Running soft through fields of light
Our perfect shadow, fading into night.

Outro - strings fade

Forever in our hearts
