Zoe's Endless Feast

A Tribute Song

Intro - ukulele, glockenspiel

Verse 1

From the moment that we met, a little trick you played,
A tiny Houdini, no lock could ever evade.
You'd leap onto the counters, or the table with such grace,
Searching for a snack, in any hidden space.
A cupboard door ajar, a purse or backpack on the floor,
You'd find the tasty treasure, and always ask for more.
Our clever cocker spaniel, with a spirit wild and free,
Forever chasing flavors, for all the world to see.

Chorus

Oh, Zoe, our sweet girl, through fourteen years so bright,
You filled our lives with laughter, pure and full of light.
Every day with you was a gift, a happy, joyful art,
You'll live forever, Zoe, within our loving heart.

Verse 2

When mealtime was approaching, a ritual we'd share,
Your ears tied with a scrunchie, to keep them from your hair.
Your little teeth would chatter, as you waited with delight,
A happy, wiggly body, a truly joyful sight.
You loved to soak the sunshine, a warm spot was your quest,
And put the other puppies, gently to the test.
With your cute fuzzy pantaloons, you'd lick petunias sweet,
You truly were unique, from your head down to your feet.

Chorus

Oh, Zoe, our sweet girl, through fourteen years so bright,
You filled our lives with laughter, pure and full of light.

Zoe's Endless Feast (continued)

Every day with you was a gift, a happy, joyful art,
You'll live forever, Zoe, within our loving heart.

Bridge

Though tears may fall like raindrops, a truth I hold so dear,
A gentle whisper reaches, calming every fear.
"Thank you for loving me," your sweet spirit softly sighed,
And in that moment, Zoe, my heart felt open wide.

Acoustic Guitar Solo

Final Chorus

Oh, Zoe, our sweet girl, through fourteen years so bright,
You filled our lives with laughter, pure and full of light.
Every day with you was a gift, a happy, joyful art,
You'll live forever, Zoe, within our loving heart.

Outro

Now at a table grand, a feast that never ends,
An endless food buffet, with all your doggie friends.
Running free and happy, beneath a sky so blue,
Sweet Zoe, rest in peace, our love will follow you.

Outro - ukulele fade
