Custom Pet Memorial Songs

Brandy's Warm Embrace

A Tribute Song

Intro - acoustic guitar, harmonica

Verse 1

The day you walked in, nineteen years ago,
A tiny tabby, ready to grow.

With a special meow, you'd let us know,
For treats in the bedroom, or kitchen food flow.
Your purr a soft rumble, a comforting sound,
The sweetest companion we'd ever found.
Our little shadow, always around,
On quiet paws, you moved without a sound.

Chorus

Oh, Brandy, our Brandy, so dear and so true,
Nineteen wonderful years, spent loving you.
A part of our heart, shining through,
Our sweet little girl, we'll always miss you.

Verse 2

When Daddy came home, you'd meet him at the door,
A special greeting, wanting nothing more.
Then off to the bedroom, for treats you would implore,
And cuddle time with him, right there upon the bed.
He'd check your soft paws, your gentle strength he'd see,
A bond so precious, for the world to be.
Those moments of joy, just you and he,
Sweet memories etched, for eternity.

Chorus

Oh, Brandy, our Brandy, so dear and so true,
Nineteen wonderful years, spent loving you.

Brandy's Warm Embrace (continued)

A part of our heart, shining through,
Our sweet little girl, we'll always miss you.

Bridge

Mama and Daddy, we love you so much, our sweet baby girl,
You'll always be our baby, you filled our whole world.
We couldn't bear to see you in pain, a difficult call,
But we know we'll be together again, standing tall.

Instrumental - banjo, acoustic guitar

Final Chorus

Oh, Brandy, our Brandy, so dear and so true,
Nineteen wonderful years, spent loving you.
A part of our heart, shining through,
Our sweet little girl, we'll always miss you.

Outro - guitar fade

Now on the lanai, watching birds in the sun,
Your favorite spot, your sweet journey run.
Bathed in the warmth, till the day is done,
Our darling Brandy, sleeping peacefully, our loved one.

Forever in our hearts
