Fify, A Star in the Sky

A Tribute Song

Intro - grand piano, soft ukulele

Verse 1

When I came home after the day was through
Tiny paws would rush to greet me, it's true
My sweet Pekingese, with your wagging tail
Jumping up my leg, a joy that would never fail
When family gathered, and the cooking began
You'd sniff around, a most diligent plan
Or bark beside your bowl with a hopeful gaze
Wishing for treats through those happy days

Chorus

Oh, Fify, my sweet Fify, a star in the sky
Eighteen precious years flew quickly by
A loving friend, so loyal and kind
The purest comfort my heart could find

Verse 2

That special moment, etched deep in my mind
Your happy greeting, one of a kind
A joyful dance, a happy, little sound
The best welcoming anyone ever found
You'd watch us always, so close by our side
My tiny shadow, my comfort, my guide
Through every season, come sun or through rain
You eased every sorrow, you quieted every pain

Chorus

Oh, Fify, my sweet Fify, a star in the sky
Eighteen precious years flew quickly by
A loving friend, so loyal and kind
The purest comfort my heart could find

Bridge

Fify, A Star in the Sky (continued)

You were the best thing that happened to me, it's true
Eighteen years of blessing, spent loving you
Thank you for being always by my side
Through every moment, with nothing to hide
Now pain-free and happy, by a sunbeam so bright
Eating all your favorite foods with pure delight
Running after birds in fields of green
My baby girl, my forever queen

Instrumental - soft ukulele, ambient pads

Final Chorus

Oh, Fify, my sweet Fify, a star in the sky
Eighteen precious years flew quickly by
A loving friend, so loyal and kind
The purest comfort my heart could find

Outro - piano fade

Sleeping soundly in a warm sunbeam's glow
Where gentle breezes softly blow
Running free now, with happy, light steps
Remembering you always, with love that never sleeps.

Forever in our hearts
