
Budweiser's Quiet Joy

A Tribute Song

Intro - piano, ambient pad

Verse 1

I remember the day, clear as can be
A happy dog, so glad to see me
With a wagging tail, a joyful sound
The best mutt that I had ever found
You'd jump on the couch, your favorite spot
A perfect window view, the world you'd watch
Always alert, with a gentle gaze
Through all of our sweet, passing days

Chorus

Oh, Budweiser, my dear, loyal friend
Fourteen beautiful years, right to the end
A quiet joy, a love so true
My heart will always remember you

Verse 2

Your presence was comfort, 'all day long' it'd seem
A silent shadow, a cherished dream
Just by my side, through sun and rain
Easing every worry, every pain
A gentle nudge, a soft, warm head
More comfort than words could ever have said
Our routines were simple, yet perfectly deep
Secrets and quiet promises to keep

Chorus

Oh, Budweiser, my dear, loyal friend
Fourteen beautiful years, right to the end
A quiet joy, a love so true
My heart will always remember you

Bridge

Budweiser's Quiet Joy (continued)

The hardest goodbye, a whispered plea
Oh, Budweiser, I'm going to miss you, you see
A bond unbreakable, forever entwined
The dearest companion I'll ever find

Instrumental - piano, strings

Final Chorus

Oh, Budweiser, my dear, loyal friend
Fourteen beautiful years, right to the end
A quiet joy, a love so true
My heart will always remember you

Outro

Now in dogie heaven, beyond the blue
Playing with Scruffy, fresh and new
Rest easy, sweet spirit, free and bright
Sleeping peacefully, bathed in soft light

Outro - piano fade

Forever in our hearts
