

Remembering Ollie

Custom Pet Memorial Songs

Kosmo, Our Shining Star

A Tribute Song

Intro - acoustic guitar, piano

Verse 1

An Aussie shepherd, bright-eyed and true
Chasing balls, the best thing to do
Your goofy grin, your spirit bright
A love for treats, with all your might
Those expressive eyes, a story told
More precious than silver, richer than gold
With sister Lexi, you'd leap and play
Chasing shadows throughout the day

Chorus

Oh, Kosmo, our bright and shining star
For fourteen years, you weren't too far
A pawprint left, a love so deep
Promises our hearts will keep

Verse 2

When I would read, a quiet grace
You'd lay across my legs, in your special place
From room to room, you'd gently trail
My faithful shadow, without fail
In the kitchen, from your big chair
Your watchful eyes, always there
A quiet comfort, soft and low
The sweetest presence, I know

Chorus

Oh, Kosmo, our bright and shining star
For fourteen years, you weren't too far

Kosmo, Our Shining Star (continued)

A pawprint left, a love so deep
Promises our hearts will keep

Verse 3

Each morning light, a happy start
You held a special place within my heart
With every wag, a joy untold
A story deeper than ancient gold

Bridge

I'll love you and your sister, forever true
Your pawprints rest, my heart imbued
Comforted knowing you're together, free
Waiting one day to join me

Instrumental - mandolin solo

Final Chorus

Oh, Kosmo, our bright and shining star
For fourteen years, you weren't too far
A pawprint left, a love so deep
Promises our hearts will keep

Outro

Now with Lexi, on fields so green
Forever chasing balls, a joyful scene
Free from pain, soaring high above
Watching over with eternal love

Outro - acoustic guitar fade

Forever in our hearts
