Capone's Spinning Circles

A Tribute Song

Intro - acoustic guitar, ukulele

Verse 1

Always first in line, a little Frenchie friend
Right there by my side, around every bend
That goofy little walk, a sway and a stride
My beautiful boy, nowhere to hide.

Chorus

Oh, Capone, my dear Capone,
Four wonderful years, a love that's truly known.
A heart so pure, a spirit so free,
You're everything bright, to me.

Verse 2

When walkies are near, the anticipation starts
Spinning circles with glee, stealing all our hearts
A funny little dancer, quick on your paws
You're goofy and free, defying all laws.

Chorus

Oh, Capone, my dear Capone,
Four wonderful years, a love that's truly known.
A heart so pure, a spirit so free,
You're everything bright, to me.

Verse 3

With a mini Rotti spirit, so fearless and bold,
Chasing coyotes, a story often told.
My Mamma's little boy, a shadow close to me,
Athletic and strong, wild and free.

Bridge

You're my beautiful boy, a part of my very soul,

Capone's Spinning Circles (continued)

A love like yours, makes my spirit feel whole.
More than anything, my heart truly knows,
The joy and the laughter your sweet spirit bestows.

Instrumental - ukulele, piano

Final Chorus

Oh, Capone, my dear Capone,
Four wonderful years, a love that's truly known.
A heart so pure, a spirit so free,
You're everything bright, to me.

With your funny little walk, a sight to behold,
Finishing workouts, a story often told.
Goofy and athletic, free-spirited and bright,
Capone, my dear boy, you fill my world with light.
